Other

COMMUNITY INVESTMENT AND COMMITMENT PROGRAM

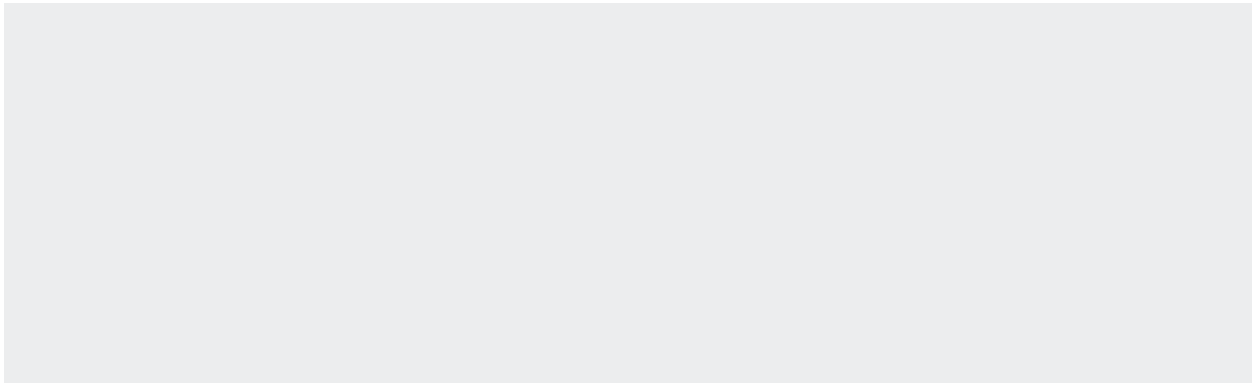

4. Application

In the space below, please provide the details on your community initiative or service and the way in which this service or initiative relates to one or several of the aforementioned niches.

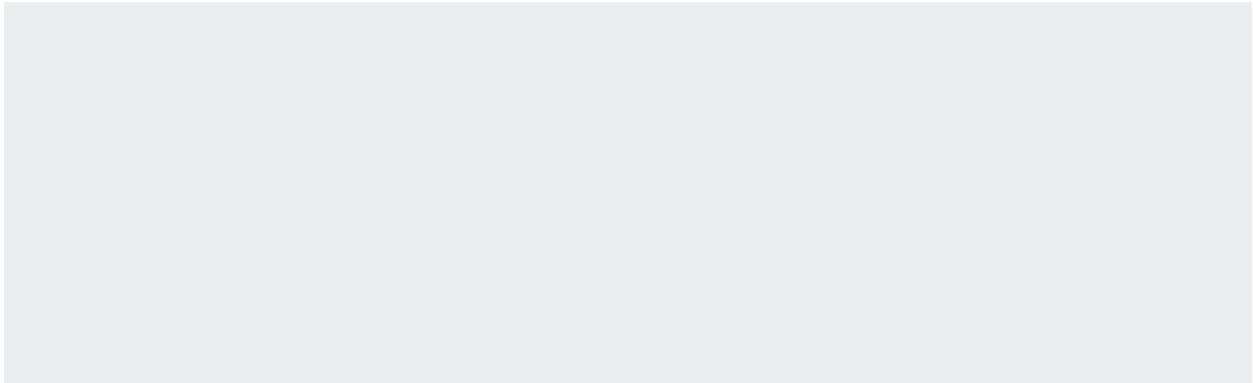

5. Funding

Please provide information on your application, particularly the amount and the duration of financing and the total budget allocated to the initiative.

6. Fund management

Please describe the allocation of funds based on the objective sought for each amount (activities, programs, services, salaries, equipment, administration). Please note that the intention of Valero Energy Inc. is to provide financing that will go directly toward achieving the targets of an organization and that predetermined indicators will be used to measure these targets.

COMMUNITY INVESTMENT AND COMMITMENT PROGRAM

7. Funding objectives

Mention at least three (3) key steps or results sought, which the partnership would help achieve and which could be measured using specific indicators that would be the subject of reports.

1.	
2.	
3.	
4.	
5.	
6.	

8. Expectations

Evaluate the viability of the result for the community (beyond the duration of the required funding)

9. Visibility

Prepare the list of the ways in which you will ensure the recognition or the visibility of the initiative/program and the commitment of Valero Energy Inc.

COMMUNITY INVESTMENT AND COMMITMENT PROGRAM

10. Deadlines

Please suggest a schedule for the delivery of the reports that evaluate the effectiveness of the financing with respect to the program's objectives and the organization in general.

Files can be attached (strategic plan, annual activity report, press reports, letters of support, etc.) in support of this application. Please email the form and the other documents to affairespubliques@valero.com
