VALERO EMPLOYEES' ENERGY AT THE SERVICE OF THE COMMUNITY

SCHOOL PERSEVERANCE

AN EXCEPTIONAL GALA

The 19th Educaide benefit gala was held on Tuesday, May 17, and Ross R. Bayus, our President, was the honorary chair.

Guests in attendance were treated to a memorable show, including several Educaide scholarship recipients, one of whom, Divenchy Godfred, a scholarship holder sponsored by the Valero Energy Foundation and a student at the Henri-Bourassa high school, delivered a testimonial on the importance of Educaide's Persévéra scholarships.

There were many memorable moments at the event that was attended by surprise guests who received warm applause. And to wrap up the show, several young people were allowed to go on stage and sing along with Marc Dupré.

Photo: First row from left to right: Stéphane Corriveau, President of Educaide; Isabelle Grenier, Chair of the Educaide Board; Martine Poirier, Director of Administration, Promotion and Events for Educaide; Ross R. Bayus, President of Valero Energy's Canadian Operations

Second row from left to right: Yvan Pedneault, Candidate at La Voix (The Voice) 2016; Renée Wilkin, Finalist at La Voix 2014; Marc Dupré, Guest artist, and Jérôme Couture, Finalist at La Voix 2013

THE CONTAGIOUS ENTHUSIASM OF JEAN-PATRICK CHARLOT MESSADIEU

This year, Valero began sponsoring the Arobase program at the Pierre-Dupuy high school. It is offered to 1st to 3rd year secondary school students and taught in interdisciplinary mode, using information and communications technologies (ICT) in every discipline. We were pleased to see our colleague, Jean-Patrick Charlot Messadieu of the IT Department, accept the invitation to meet students in their first year of high school to discuss his academic and professional path with them. He explained to around 20 or so students a typical day at Valero, the benefits and challenges in his field and the numerous professional avenues open to him.

« I enjoyed the experience tremendously! The students were really interested and asked a lot of questions. It was great to share ideas with bright and highly motivated young students. »

Jean-Patrick

FACEOFF AT THE COMPLEXE 2 GLACES HONCO DE LÉVIS

Representatives of major partners associated with the project were on hand when an honorary faceoff took place last April 30. Valero Energy is one of the Prestigious Partners of the complex, and the main rink has been named the Patinoire Énergie Valero (Valero Energy Rink).

Summary of the complex : Two NHL-sized rinks - An ice surface that can hold 925 spectators and the other 250 - A multipurpose hall with a capacity of 300 - 16 rooms that can accommodate 18 to 20 players - The site has a restaurant, a bar, offices for the associations, two conference and training rooms, a physiotherapy centre and a boutique.

“The Complex is a great asset to the City of Lévis, and Valero is proud to be associated with this project that will benefit many of its citizens, including Valero employees. “

Martine Péloquin

One of the representatives on the photo is Martine Péloquin, Vice-President of the Jean Gaulin Refinery.

10TH GASTRONOMIC LOBSTER MEAL EVENT

The Pointe-de-l'Île business community and industry foundation is thrilled with the success of the 10th gastronomic event, which raised \$50,000 to be distributed to 5 schools in the Pointe de l'Île area to cover the cost of breakfasts served to students. Valero Energy paid \$2,500 for a table for the event that took place on May 21.

On the photo, André Brault (representative), Nathalie St-Cyr (McGill) and Mustapha Mekki (Marien) represented Valero Energav.

A CONTRIBUTION WITH AN ITALIAN FLAVOUR

The food safety committee of the social development and relief and hope group organized their traditional spaghetti dinner for \$12 per person, with donations going to the «Sharing Store» activity that provides assistance to young Pointe-de-l'Île students at the start of the school year.

The Montreal East terminal is pleased to support this initiative each year. Around 25 meals were served for that purpose to employees of the terminal last May 9.
